

Coaching Your Team to Peak Performance

Date: October 15, 16, 2026

Where: Painted Post, NY

This engaging and hands-on workshop is for those who seek coaching skills that revitalize and bring out the best in their staff. These tools will allow workers to open themselves up to their full potential.

- › **Get people unstuck**
- › **Build the trust that makes your workers devoted to you**
- › **Dealing with low motivation or engagement**
- › **Maintaining high morale during high-pressure periods**
- › **Navigate a re-org, mitigating resistance and confusion**
- › **Resolve conflicts between employees**
- › **Giving difficult feedback and ensuring accountability**

Co-led by business culture experts and authors of *Heartfelt Leadership: Creating a Culture of Connection*, by David Larson and Kate Sholonski
